

## HIGH DESERT SING OFF RULES AND REGISTRATION

The first annual Encore's High Desert Sing Off will take place on Saturday, March 17, 2012. The start time of the event will be determined by the number of entries received. The registration fee for each singer to participate is \$10.00. The \$10.00 entry fee helps cover the costs of sound, lighting, prizing, and judges' gifts. This entry fee will give the vocalist two free tickets to the event.

The entry fee must be paid for prior to March 10, 2012. This can be hand delivered to Miss Ashlin in the A building at Encore High School for the performing and visual arts at 16955 Lemon Street, Hesperia, CA 92345 or can be mailed to the address listed here.

Tickets to watch the event are \$8.00. Advance ticket purchases are recommended as this is expected to be a very busy event.

The cash prize for winning the Sing Off is \$50.00. This will be awarded to the winner in cash at the conclusion of the competition on March 17, 2012. This cash award is contingent on at least ten vocalists participating in the competition.

Every contestant in the Singoff should have at least three two minute songs prepared for the competition

Every contestant will be grouped into a competition "heat" of four to six singers for the first round. Each contestant will be competing only against the people within that heat. From each session of singers, one winner will emerge to go to the next round. Vocalists can choose to sing the same song or pick a new song for the next round. Winners from the first round will compete subsequent rounds of competition that work like the first round until the final four contestants have emerged.

The final four contestants will compete on the main stage during the battle of the bands. The winner will be announced at the end of the competition.

Vocalists will be judged on the following criteria -

1. Audience response - 10 points
2. Timeliness and Sportsmanship - 10 points
3. Mastery of your craft - 20 points
4. Showmanship - 20 points
